

**USAID Transformational Leadership Program – Citizens Corps** aims to leave behind a cadre of transformational leaders coordinated and working towards as agents of positive change across the public, private and civil society sectors in our country. TLP-CC will advance the understanding, practice and development of leadership and increase civic participation for the benefit and the development of the society through volunteerism. To achieve this, 185 TLP Master Graduates who are scholarship recipients, will be encouraged to complete a minimum of 400 hours of volunteer work in appropriate organizations being, public, private or non-governmental organization in Kosovo.

**TLP Alumni Association**

October 24, 2018 gathered TLP Graduates of both Master and Professional Certificate Program, marking the first anniversary of the TLP Alumni Association during its second General Assembly Meeting. The meeting resulted with the newly elected 15 board members of the association. TLP Alumni consists of four standing committees: Democracy Governance and Rule of Law; Science, Innovation and Technology; Economics Business and Finance; Education, Arts and Design. TLP Alumni organized many activities and initiatives and will continue their efforts towards turning the Association into a functional and sustainable entity.
