Bureau for Democracy, Conflict and Humanitarian Assistance (DCHA)	Leigh Carlson	Active Communities - Effective States (ACES)	The purpose of this award is to provide technical assistance and advisory services, training, and direct program implementation to support good governance, transparency, and accountability in host countries. This award is designed to foster greater accountability of institutions and leaders to citizens and to the law by strengthening linkages among government actors and enhancing state institutions accountability to citizens. The activities implemented under this award will contribute directly to the achievement of the overarching goal of USAID's Strategy on Democracy, Human Rights and Governance, which is to support the establishment and consolidation of inclusive and accountable democracies to advance freedom and development. This award will enable Missions which issue task orders under it to select from a range of programming options. In addition, the award will enable USAID and the U.S. Government (USG) to respond rapidly to windows of opportunity for governance in countries undergoing transition. Bureau for Democracy, Conflict and Humanitarian Assistance (DCHA)	Sharon Baker / Michael Kwaw	Analytical Services IV	The Analytical Services IV IDIQ will directly build on USAID's DRG Strategy by providing support to USAID Missions and other operating units to develop strategies and projects that will have the greatest impact. Ultimately, USAID strategies and programs that are based on sound analysis are more likely to be effective. Missions will be able to quickly and efficiently commission analyses, access expert assistance, and obtain other services in support of strategic planning, policy analysis and development, and project design. The IDIQ will allow the DRG Center to continue to conduct and support DRG sector and sub-sector assessments, political economy analyses, inclusive development analysis ? on gender, disabilities, LGBT, youth, indigenous, etc. -- and other strategic planning priorities	Democracy, Human Rights, and Governance	541990	\$50M - \$74.99M	Social Impact ARD Incorporated Management Systems International (MSI) Democracy International Incorporated International Resources Group (IRG)	Indefinite Delivery Indefinite Quantity Contract (IDIQ)	Total set-aside	2017	6/30/2017	7/1/2016	5 years	TBD	Combination of Changes
Bureau for Democracy, Conflict and Humanitarian Assistance (DCHA)	Artaveya Carter/Heather Wirick	FEWS NET 7	New phase of the Famine Early Warning Systems Network, FEWS NET. The Famine Early Warning Systems Network (FEWS NET) provides objective, evidence-based analysis to help the U.S. Government (USG), national and international partners, and relief agencies plan and respond to food security crises and mitigate human suffering. FEWS NET and its precursor activity, the Famine Early Warning System (FEWS) have operated for more than 30 years. Initially established in the Sahelian region of Africa as a response to the 1984/85 famines, FEWS gradually expanded over the three decades to cover countries in East, West and Southern Africa, as well as parts of Central America and the Caribbean, Middle East, and Central Asia. The project currently has offices in approximately 25 countries, with remote coverage of food security in an additional 10 countries.
