- a. All provisions of 2 CFR 200 and 2 CFR 700 in effect on the date of this award, and all Standard Provisions attached to this agreement are applicable to the recipient and to subrecipients that meet the definition of “Non-Federal Entity” in part 2 CFR 200.1, unless a section specifically excludes a subrecipient from coverage. The recipient must assure that subrecipients have copies of all the attached standard provisions.

[END OF PROVISION]

M2. INELIGIBLE COUNTRIES (MAY 1986)

M3. NONDISCRIMINATION (JUNE 2012)

No U.S. citizen or legal resident shall be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination on the basis of race, color, national origin, age, disability, or sex under any program or activity funded by this award when work under the grant is performed in the U.S. or when employees are recruited from the U.S.

Additionally, USAID is committed to achieving and maintaining a diverse and representative workforce and a workplace free of discrimination. Based on law, Executive Order, and Agency policy, USAID prohibits discrimination, including harassment, in its own workplace on the basis of race, color, religion, sex (including pregnancy and gender identity), national origin, disability, age, veteran’s status, sexual

orientation, genetic information, marital status, parental status, political affiliation, and any other conduct that does not adversely affect the performance of the employee. In addition, the Agency strongly encourages its recipients and their subrecipients and vendors (at all tiers), performing both in the U.S. and overseas, to develop and enforce comprehensive nondiscrimination policies for their workplaces that include protection for all their employees on these expanded bases, subject to applicable law.

[END OF PROVISION]

L. 100–690, Title V, Subtitle D; 41 U.S.C. 701–707).

[END OF PROVISION]

M11. EQUAL PARTICIPATION BY FAITH-BASED ORGANIZATIONS (JUNE 2016)

a. Faith-Based Organizations Encouraged

Faith-based organizations are eligible, on the same basis as any other organization, to participate in any USAID program for which they are otherwise eligible. Neither USAID nor entities that make and administer subawards of USAID funds shall discriminate for or against an organization on the basis of the organization's religious character or affiliation. Additionally, religious organizations shall not be disqualified from participating in USAID programs because such organizations are motivated or influenced by religious faith to provide social services, or because of their religious character or affiliation.

Decisions about awards of USAID financial assistance must be free from political interference or even the appearance of such interference. Awards must be made on the basis of merit, not the basis of the religious affiliation of an applicant, or lack thereof. A faith-based organization may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs, within the limits contained in this provision. For more information, see the [USAID Faith-Based and Community Initiatives Web site](#) and [22 CFR 205.1](#).

b. Explicitly Religious Activities Prohibited.

- (1)** Explicitly religious activities include activities that involve overt religious content such as worship, religious instruction, prayer, or proselytization.
- (2)** The recipient must not engage in explicitly religious activities as part of the programs or services directly funded with financial assistance from USAID. If the recipient engages in explicitly religious activities, the activities must be offered separately, in time or location, from any programs or services directly funded by this award, and participation must be voluntary for beneficiaries of the programs or services funded with USAID assistance.
- (3)** These restrictions apply equally to religious and secular organizations. All organizations that participate in USAID programs, as recipients or subawardees, including religious ones, must carry out eligible activities in accordance with all program requirements and other applicable requirements governing USAID-funded activities.
- (4)** Notwithstanding the restrictions of b.(1) and (2), a religious organization that participates in USAID-funded programs or services:
 - (i) May retain its independence and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs, provided that it does not use direct financial assistance from USAID to support or engage in any explicitly religious activities or in any other manner prohibited by law;
 - (ii) May use space in its facilities, without removing religious art, icons, scriptures, or other religious symbols; and
 - (iii) May retain its authority over its internal governance, and may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.

- c.** Implementation in accordance with the Establishment Clause: Nothing in this provision shall be construed as authorizing the use of USAID funds for activities that are not permitted by Establishment Clause jurisprudence or otherwise by law.
- d.** Discrimination Based on Religion Prohibited: The recipient must not, in providing services, discriminate against a program beneficiary or potential program beneficiary on the basis of religion or religious belief, refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.
- e.** A religious organization's exemption from the Federal prohibition on employment discrimination on the basis of religion, set forth in Sec. 702(a) of the Civil Rights Act

of 1964, 42 U.S.C. 2000e–1 is not forfeited when the organization receives financial assistance from USAID.

- f. The Secretary of State may waive the requirements of this section in whole or in part, on a case-by-case basis, where the Secretary determines that such waiver is necessary to further the national security or foreign policy interests of the United States.
- g. This provision must be included in all subawards under this award.

[END OF PROVISION]

M12. PREVENTING TRANSACTIONS WITH, OR THE PROVISION OF RESOURCES OR SUPPORT TO, SANCTIONED GROUPS AND INDIVIDUALS (MAY 2020)

- a. In carrying out activities under this award, except as authorized by a license issued by the Office of Foreign Assets Control (OFAC) of the U.S. Department of Treasury, the recipient will not engage in transactions with, or provide resources or support to, any individual or entity that is subject to sanctions administered by OFAC or the United Nations (UN), including any individual or entity that is included on the Specially Designated Nationals and Blocked Persons List maintained by OFAC (<https://www.treasury.gov/resource-center/sanctions/SDN-List/Pages/default.aspx>) or on the UN Security Council consolidated list (<https://www.un.org/securitycouncil/content/un-sc-consolidated-list>).
- b. Any violation of the above will be grounds for unilateral termination of the agreement by USAID.
- c. The Recipient must include this provision in all subawards and contracts issued under this award.

[END OF PROVISION]

M13. MARKING AND PUBLIC COMMUNICATIONS UNDER USAID-FUNDED ASSISTANCE (DECEMBER 2014)

- a. The USAID Identity is the official marking for USAID, comprised of the USAID logo and landmark with the tagline “from the American people,” unless amended by USAID to include additional or substitute use of a logo or seal and tagline representing a presidential initiative or other high level interagency initiative. The USAID Identity (including any required presidential initiative or related identity) is on the USAID Web site at www.usaid.gov/branding. Recipients must use the USAID Identity, of a size

and prominence equivalent to or greater than any other identity or logo displayed, to mark the following:

- (1) Programs, projects, activities, public communications, and commodities partially or fully funded by USAID;
 - (2) Program, project, or activity sites funded by USAID, including visible infrastructure projects or other physical sites;
 - (3) Technical assistance, studies, reports, papers, publications, audio-visual productions, public service announcements, Web sites/Internet activities, promotional, informational, media, or communications products funded by USAID;
 - (4) Commodities, equipment, supplies, and other materials funded by USAID, including commodities or equipment provided under humanitarian assistance or disaster relief programs; and
 - (5) Events financed by USAID, such as training courses, conferences, seminars, exhibitions, fairs, workshops, press conferences and other public activities. If the USAID Identity cannot be displayed, the recipient is encouraged to otherwise acknowledge USAID and the support of the American people.
- b. The recipient must implement the requirements of this provision following the approved Marking Plan in the award.
- c. The AO may require a preproduction review of program materials and “public communications” (documents and messages intended for external distribution, including but not limited to correspondence; publications; studies; reports; audio visual productions; applications; forms; press; and promotional materials) used in connection with USAID-funded programs, projects or activities, for compliance with an approved Marking Plan.
- d. The recipient is encouraged to give public notice of the receipt of this award and announce progress and accomplishments. The recipient must provide copies of notices or announcements to the Agreement Officer’s Representative (AOR) and to USAID's Office of Legislative and Public Affairs in advance of release, as practicable. Press releases or other public notices must include a statement substantially as follows:
- “The U.S. Agency for International Development administers the U.S. foreign assistance program providing economic and humanitarian assistance in more than 80 countries worldwide.”*
- e. Any “public communication” in which the content has not been approved by

USAID must contain the following disclaimer:

“This study/report/audio/visual/other information/media product (specify) is made possible by the generous support of the American people through the United States Agency for International Development (USAID). The contents are the responsibility of [insert recipient name] and do not necessarily reflect the views of USAID or the United States Government.”

- f. The recipient must provide the USAID AOR with two copies of all program and communications materials produced under this award.
- g. The recipient may request an exception from USAID marking requirements when USAID marking requirements would:
 - (1) Compromise the intrinsic independence or neutrality of a program or materials where independence or neutrality is an inherent aspect of the program and materials;
 - (2) Diminish the credibility of audits, reports, analyses, studies, or policy recommendations whose data or findings must be seen as independent;
 - (3) Undercut host-country government “ownership” of constitutions, laws, regulations, policies, studies, assessments, reports, publications, surveys or audits, public service announcements, or other communications;
 - (4) Impair the functionality of an item;
 - (5) Incur substantial costs or be impractical;
 - (6) Offend local cultural or social norms, or be considered inappropriate; or
 - (7) Conflict with international law.
- h. The recipient may submit a waiver request of the marking requirements of this provision or the Marking Plan, through the AOR, when USAID-required marking would pose compelling political, safety, or security concerns, or have an adverse impact in the cooperating country.
 - (1) Approved waivers “flow down” to subawards and contracts unless specified otherwise. The waiver may also include the removal of USAID markings already affixed, if circumstances warrant.
 - (2) USAID determinations regarding waiver requests are subject to appeal by the recipient, by submitting a written request to reconsider the determination to the cognizant Assistant Administrator.

- i. The recipient must include the following marking provision in any subawards entered into under this award:

“As a condition of receipt of this subaward, marking with the USAID Identity of a size and prominence equivalent to or greater than the recipient’s, subrecipient’s, other donor’s, or third party’s is required. In the event the recipient chooses not to require marking with its own identity or logo by the subrecipient, USAID may, at its discretion, require marking by the subrecipient with the USAID Identity.”

[END OF PROVISION]

M14. REGULATIONS GOVERNING EMPLOYEES (JUNE 2018)

- a. While working overseas, the recipient's employees who are not citizens of the cooperating country must maintain private status, and may not rely on local U.S. Government offices or facilities for support while under this award.
- b. The sale of personal property or automobiles by the recipient’s non-cooperating country citizen employees and their dependents in the foreign country to which they are assigned, are subject to the same limitations and prohibitions that apply to direct-hire USAID personnel employed by the Mission, including the rules contained in 22 CFR 136, except as this may conflict with host government regulations.
- c. Other than work to be performed under this award for which an employee is assigned by the recipient, employees of the recipient who are not citizens of the cooperating country must not engage directly or indirectly, either in the individual's own name or in the name or through an agency of another person, in any business, profession, or occupation in the foreign countries to which the individual is assigned. In addition, the individual must not make loans or investments to or in any business, profession, or occupation in the foreign countries to which the individual is assigned.
- d. The recipient's employees who are not citizens of the cooperating country, while in a foreign country, are expected to show respect for its conventions, customs, and institutions, to abide by its applicable laws and regulations, and not to interfere in its internal political affairs.
- e. In accordance with the internal control requirements in 2 CFR 200.303, which require the recipient to establish standards of conduct for its employees, the recipient must ensure that all its employees adhere to these standards of conduct in a manner consistent with the standards for United Nations (UN) employees in Section 3 of the UN Secretary-General’s Bulletin - Special Measures for Protection from Sexual Exploitation and Sexual Abuse (ST/SGB/2003/13).

- f. If the recipient determines that the conduct of any recipient employee is not in accordance with the preceding paragraphs, the recipient's Chief of Party must consult with the Agreement Officer and the USAID Mission Director, and the employee involved, and must recommend to the recipient a course of action with regard to such employee.
- g. The parties recognize the rights of the U.S. Ambassador to direct the removal from a country of any U.S. citizen, or the discharge from this award of any individual (U.S., third-country, or cooperating-country national) when, in the discretion of the Ambassador, the interests of the United States so require.
- h. If it is determined, under paragraph (f) or (g) above, that the services of such employee should be terminated, the recipient must use its best efforts to cause the return of such employee to the United States, or third-country point of origin, as appropriate, and replace the employee with an acceptable substitute at no cost to USAID.
- i. Any matters relating to subrecipients, including the employees of subrecipients, must be coordinated through the recipient's Chief of Party.

[END OF PROVISION]

M15. CONVERSION OF UNITED STATES DOLLARS TO LOCAL CURRENCY (NOVEMBER 1985)

(This provision applies when activities are undertaken outside the United States.)

Upon arrival in the cooperating country, and from time to time as appropriate, the recipient's chief of party must consult with the Mission Director who must provide, in writing, the procedure the recipient and its employees must follow in the conversion of United States dollars to local currency. This may include, but is not limited to, the conversion of currency through the cognizant United States Disbursing Officer or Mission Controller, as appropriate.

[END OF PROVISION]

M16. USE OF POUCH FACILITIES (AUGUST 1992)

(This provision applies when activities are undertaken outside the United States.)

- a. Use of diplomatic pouch is controlled by the Department of State. The Department of State has authorized the use of pouch facilities for USAID

recipients and their employees as a general policy, as detailed in items (1) through (6) below. However, the final decision regarding use of pouch facilities rest with the Embassy or USAID Mission. In consideration of the use of pouch facilities, the recipient and its employees agree to indemnify and hold harmless, the Department of State and USAID for loss or damage occurring in pouch transmission:

- (1) Recipients and their employees are authorized use of the pouch for transmission and receipt of up to a maximum of .9 kgs per shipment of correspondence and documents needed in the administration of assistance programs.
- (2) U.S. citizen employees are authorized use of the pouch for personal mail up to a maximum of .45 kgs per shipment (but see a.(3) below).
- (3) Merchandise, parcels, magazines, or newspapers are not considered to be personal mail for purposes of this standard provision and are not authorized to be sent or received by pouch.
- (4) Official and personal mail pursuant to a.(1) and (2) above sent by pouch should be addressed as follows:

Name of individual or organization (followed by
letter symbol "G")

- (5) Mail sent via the diplomatic pouch may not be in violation of U.S. Postal laws and may not contain material ineligible for pouch transmission.
 - (6) Recipient personnel are NOT authorized use of military postal facilities (APO/FPO). This is an Adjutant General's decision based on existing laws and regulations governing military postal facilities and is being enforced worldwide.
- b. The recipient is responsible for advising its employees of this authorization, these guidelines, and limitations on use of pouch facilities.
 - c. Specific additional guidance on grantee use of pouch facilities in accordance with this standard provision is available from the Post Communication Center at the Embassy or USAID Mission.

[END OF PROVISION]

M17. TRAVEL AND INTERNATIONAL AIR TRANSPORTATION (DECEMBER 2014)

a. TRAVEL COSTS

All travel costs must comply with the applicable cost principles and must be consistent with those normally allowed in like circumstances in the recipient's non-USAID-funded activities. Costs incurred by employees and officers for travel, including air fare, costs of lodging, other subsistence, and incidental expenses, may be considered reasonable and allowable only to the extent such costs do not exceed reasonable charges normally allowed by the recipient in its regular operations as the result of the recipient organization's written travel policy and are within the limits established by the applicable cost principles.

In the absence of a reasonable written policy regarding international travel costs, the standard for determining the reasonableness of reimbursement for international travel costs will be the Standardized Regulations (Government Civilians, Foreign Areas), published by the U.S. Department of State, as from time to time amended. The most current Standardized Regulations on international travel costs may be obtained from the AO. In the event that the cost for air fare exceeds the customary standard commercial airfare (coach or equivalent) or the lowest commercial discount airfare, the recipient must document one of the allowable exceptions from the applicable cost principles.

b. FLY AMERICA ACT RESTRICTIONS

- (1) The recipient must use U.S. Flag Air Carriers for all international air transportation (including personal effects) funded by this award pursuant to the Fly America Act and its implementing regulations to the extent service by such carriers is available.
- (2) In the event that the recipient selects a carrier other than a U.S. Flag Air Carrier for international air transportation, in order for the costs of such international air transportation to be allowable, the recipient must document such transportation in accordance with this provision and maintain such documentation pursuant to the Standard Provision, "Accounting, Audit and Records." The documentation must use one of the following reasons or other exception under the Fly America Act:
 - (i) The recipient uses a European Union (EU) flag air carrier, which is an airline operating from an EU country that has signed the US-EU "Open Skies" agreement (<http://www.state.gov/e/eb/rls/othr/ata/i/ic/170684.htm>).
 - (ii) Travel to or from one of the following countries on an airline of that country when no city pair fare is in effect for that leg (see <http://apps.fas.gsa.gov/citypairs/search/>):

- a. Australia on an Australian airline,
 - b. Switzerland on a Swiss airline, or
 - c. Japan on a Japanese airline;
- (iii) Only for a particular leg of a route on which no US Flag Air Carrier provides service on that route;
- (iv) For a trip of 3 hours or less, the use of a US Flag Air Carrier at least doubles the travel time;
- (v) If the US Flag Air Carrier offers direct service, use of the US Flag Air Carrier would increase the travel time by more than 24 hours; or
- (vi) If the US Flag Air Carrier does not offer direct service,
- a. Use of the US Flag Air Carrier increases the number of aircraft changes by 2 or more,
 - b. Use of the US Flag Air Carrier extends travel time by 6 hours or more, or
 - c. Use of the US Flag Air Carrier requires a layover at an overseas interchange of 4 hours or more.

c. DEFINITIONS

The terms used in this provision have the following meanings:

- (1) "Travel costs" means expenses for transportation, lodging, subsistence (meals and incidentals), and related expenses incurred by employees who are on travel status on official business of the recipient for any travel outside the country in which the organization is located. <http://ostpxweb.dot.gov/aviation/certific/certlist.htm>. - (4) For this provision, the term "United States" includes the fifty states, Commonwealth of Puerto Rico, possessions of the United States, and the District of Columbia.

For example, a Dataset may represent a single spreadsheet, an extensible mark-up language (XML) file, a geospatial data file, or an organized collection of these. This requirement does not apply to aggregated performance reporting data that the recipient submits directly to a USAID portfolio management system or to unstructured data, such as email messages, PDF files, PowerPoint presentations, word processing documents, photos and graphic images, audio files, collaboration software, and instant messages. Neither does the requirement apply to

the recipient's information that is incidental to award administration, such as financial, administrative, cost or pricing, or management information. Within thirty (30) calendar days after award completion, the recipient must submit to the DDL any Datasets and supporting documentation that have not previously been submitted to the DDL, along with an index of all Datasets and Intellectual Work created or obtained under the award. The recipient must also provide to the AOR an itemized list of any and all DDL submissions.

The recipient is not required to submit the data to the DDL, when, in accordance with the terms and conditions of this award, Datasets containing results of federally funded scientific research are submitted to a publicly accessible research database. However, the recipient must

submit a notice to the DDL by following the instructions at www.usaid.gov/data, with a copy to the agreement officer representative, providing details on where and how to access the data. The direct results of federally funded scientific research must be reported no later than when the data are ready to be submitted to a peer-reviewed journal for publication, or no later than five calendar days prior to the conclusion of the award, whichever occurs earlier.

[End of Provision]

M30. CONFLICT OF INTEREST (August 2018)

- a. A conflict of interest in the award, administration, or monitoring of subawards arises when an employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of these parties, has a financial or other interest in, or a tangible personal benefit from, a subrecipient considered for a subaward. The officers, employees, and agents of the recipient may neither solicit nor accept gratuities, favors, or anything of monetary value from subrecipients or parties to subawards. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value.
- b. The recipient must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award, and administration of subawards. The standards must prohibit employees from using their positions for a purpose that constitutes or presents the appearance of a conflict of interest. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

- c. The recipient must also maintain written standards of conduct covering organizational conflicts of interest. Organizational conflicts of interest means a situation in which the recipient is unable or appears to be unable to be impartial in conducting a subaward action involving a related organization because of relationships with a parent company, affiliate, or subsidiary organization.

- e. The recipient must disclose any conflict of interest, including organizational conflicts of interest, and the recipient's approach for resolving the conflict of interest to the cognizant Agreement Officer for the award within ten (10) calendar days of the discovery of the conflict of interest.
- f. Upon notice from the recipient of a potential conflict of interest and the approach for resolving it, the Agreement Officer will make a determination regarding the effectiveness of the recipient's actions to resolve the conflict of interest within thirty (30) calendar days of receipt of the recipient's notice, unless the Agreement Officer advises the recipient that a longer period is necessary.
- g. The recipient must not request payment from USAID for costs for transactions subject to the conflict of interest pending notification of USAID's determination. The recipient's failure to disclose a conflict of interest may result in cost disallowances by USAID.
- h. For conflicts of interest, including organizational conflicts of interest, involving contracts, the recipient must follow 2 CFR 200.318, general procurement standards.
- i. The recipient must insert the substance of this provision, including paragraph (i), in all subawards under this award, at any subaward tier.

[END OF MANDATORY PROVISIONS]

REQUIRED AS APPLICABLE STANDARD PROVISIONS FOR U.S. NONGOVERNMENTAL ORGANIZATIONS

RAA1. NEGOTIATED INDIRECT COST RATES - PREDETERMINED (NOVEMBER 2020)

APPLICABILITY: *This provision is applicable to educational or nonprofit institutions whose indirect cost rates under this award are on a predetermined basis. A predetermined rate may be used when the Bureau for Management, Office of Acquisition and Assistance, Overhead, Special Cost, and Closeout Branch (M/OAA/OSC) has made a determination that there is reasonable assurance that the rate is not likely to exceed a rate based on the organization's actual costs.*

NEGOTIATED INDIRECT COST RATES - PREDETERMINED (NOVEMBER 2020)

- a. The allowable indirect costs must be determined by applying the predetermined indirect cost rates to the bases specified in the schedule of this award.
- b. Except as otherwise provided in 2 CFR 200.414 Indirect (F&A) costs paragraph (e) and (f), a nonprofit organization which has not previously established an indirect cost rate with a Federal agency must submit its initial indirect cost proposal immediately after the organization is advised that a Federal award will be made and, in no event, later than three months after the effective date of the Federal award.

Organizations that have previously established indirect cost rates must submit a new indirect cost proposal to the cognizant agency for indirect costs within six months after the close of each fiscal year.

If USAID is the cognizant agency or no cognizant agency has been designated, the recipient must submit four copies of the audit report, the proposed predetermined indirect cost rates, and supporting cost data to the Overhead, Special Costs, and Closeout Branch, Management Bureau, Office of Acquisition and Assistance, USAID, Washington, DC 20523-7802. The proposed rates must be based on the recipient's actual cost experience during that fiscal year. Negotiations of predetermined indirect cost rates must begin soon after receipt of the recipient's proposal.

- c. Allowability of costs and acceptability of cost allocation methods must be determined in accordance with the applicable cost principles.
- d. The results of each negotiation must be set forth in an indirect cost rate agreement signed by both parties. Such agreement is automatically incorporated into this award and must specify (1) the agreed upon predetermined rates, (2) the bases to which the rates apply, and (3) the fiscal year for which the rates apply. The indirect cost rate agreement must not change any monetary ceiling, award obligation, or specific cost allowance or disallowance provided for in this award.

- e. Predetermined rate means an indirect cost rate, applicable to a specified current or future period, usually the organization's fiscal year. The rate is based on an estimate of the costs to be incurred during the period. **A predetermined rate is not subject to adjustment.**
- f. If a dispute arises in a negotiation of an indirect cost rate between the cognizant agency for indirect costs and the nonprofit organization, the dispute must be resolved in accordance with the appeals procedures of the cognizant agency for indirect costs.

[END OF PROVISION]

RAA2. NEGOTIATED INDIRECT COST RATES - PROVISIONAL (Nonprofit) (NOVEMBER 2020)

APPLICABILITY: *This provision is applicable to any nonprofit organizations whose indirect cost rates under this award are on a provisional basis.*

NEGOTIATED INDIRECT COST RATES - PROVISIONAL (Nonprofit) (NOVEMBER 2020)

- a. Provisional indirect cost rates must be established for each of the recipient's accounting periods during the term of this award. Pending establishment of revised provisional or final rates, allowable indirect costs must be reimbursed at the rates, on the bases, and for the periods shown in the schedule of the award .
- b. Organizations that have previously established indirect cost rates must submit a new indirect cost proposal to the cognizant agency for indirect costs within six months after the close of each fiscal year. Except as otherwise provided in §200.414 Indirect (F&A) costs paragraph (e) and (f) , a nonprofit organization which has not previously established an indirect cost rate with a Federal agency must submit its initial indirect cost proposal immediately after the organization is advised that a Federal award will be made and, in no event, later than three months after the effective date of the Federal award.

If USAID is the cognizant agency or no cognizant agency has been designated, the recipient must submit four copies of the audit report, along with the proposed final indirect cost rates and supporting cost data, to the Overhead, Special Costs, and Closeout Branch, Office of Acquisition and Assistance, USAID, Washington, DC 20523-7802. The proposed rates must be based on the recipient's actual cost experience during that fiscal year. Negotiations of final indirect cost rates must begin soon after receipt of the recipient's proposal. No proposal to establish indirect (F&A) cost rates will be acceptable unless such costs have been certified by the non-profit organization using the Certificate of Indirect (F&A) Costs set forth in 2 CFR 200, Appendix IV, Section j. The certificate must be signed on

behalf of the organization by an individual at a level no lower than vice president or chief financial officer for the organization.

- c. Allowability of costs and acceptability of cost allocation methods must be determined in accordance with the applicable cost principles.

Such agreement is automatically incorporated into this award and must specify (1) the agreed upon final rates, (2) the bases to which the rates apply, and (3) the fiscal year for which the rates apply. The agreement must not change any monetary ceiling, award obligation, or specific cost allowance or disallowance provided for in this award.
- e. Pending establishment of final indirect cost rate(s) for any fiscal year, the recipient must be reimbursed either at negotiated provisional rates or at billing rates acceptable to the Agreement Officer, subject to appropriate adjustment when the final rates for the fiscal year are established. To prevent substantial overpayment or underpayment, the provisional rate may be adjusted by the cognizant agency for indirect costs during the institution's fiscal year.
- f. If a dispute arises in a negotiation of an indirect cost rate between the cognizant agency for indirect costs and the nonprofit organization, the dispute must be resolved in accordance with the appeals procedures of the cognizant agency for indirect costs.

[END OF PROVISION]

RAA4. INDIRECT COSTS – DE MINIMIS RATE (NOVEMBER 2020)

APPLICABILITY: *This provision is applicable to awards where the recipient **does not have a current** negotiated indirect cost rate and has elected to charge a de minimis rate of 10% of modified total direct costs (MTDC). When using this provision, the award budget must reflect the de minimis rate of 10% if requested by the recipient. The award budget must not include direct costs that the recipient indicated were included in the indirect rate.*

INDIRECT COSTS – DE MINIMIS RATE (NOVEMBER 2020)

- a. The recipient will be paid a de minimis rate of 10% of its modified total direct costs (MTDC) to cover indirect costs, as provided below. Indirect costs are

common costs that benefit the day-to-day operations of the organization, including categories such as salaries and expenses of executive officers, personnel administration, and accounting, or that benefit and are identifiable to more than one program or activity, such as depreciation, rental costs, operations and maintenance of facilities, and telephone expenses. The actual rate will be established in the award budget.

- b. MTDC means all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first \$25,000 of each subaward (regardless of the period of performance of the subawards under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward in excess of \$25,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with the prior written approval of the Agreement Officer.
- c. The recipient must consistently charge its costs as either indirect or direct costs but must not double charge or inconsistently charge the same cost or categories of costs as both.
- d. If chosen, once elected, this rate and methodology must be used consistently for all Federal awards until such time as the recipient has an approved Negotiated Indirect Cost Rate.

This type of travel may be approved for both U.S. and foreign citizens who are not employed by the U.S. Government (USG), not receiving any type of compensation from the USG for such travel, and only when it is determined that the functions to be performed are essential to the interests of USAID.
- b. **Program Monitoring and Data Reporting:** The recipient must monitor Exchange Visitors' and Participants' progress during their program and ensure that problems are identified and resolved quickly.
- (1) For U.S.-based activities, the recipient must use USAID's official Exchange Visitor and Participant Training information system, currently called "Training Results and Information Network – TraiNet" (see <http://trainethelp.usaid.gov/>), to report and manage Exchange Visitor and Participant Training data. Pre-departure orientation covers: program objectives; administrative and policy review; cultural aspects; and training/learning methods

g. **Conditions of Sponsorship:** The recipient must ensure that all Exchange Visitors read and sign the Conditions of Sponsorship for U.S.-Based Activities form (AID 1381-6). The recipient must also ensure that all Participants of long-term (six months or longer) third-country training read and sign the form Conditions of Sponsorship for Third-Country Training form (AID 1381-7). The recipient must report to the Agreement Officer any known violations by Exchange

Visitors of visa or other immigration requirements or conditions.

- h. **Exchange Visitor Security Risk and Fraud Inquiry:** Each USAID Mission has an established process for conducting a Security Risk and Fraud Inquiry (SRFI) for Exchange Visitors. The recipient must be prepared to assist Missions in conducting the SRFI, if requested. However, the recipient's role is contributive, and the Mission is ultimately responsible for conducting the SRFI.

RAA6. VOLUNTARY POPULATION PLANNING ACTIVITIES – SUPPLEMENTAL REQUIREMENTS (JANUARY 2009)

***APPLICABILITY:** This provision is applicable to all awards involving any aspect of voluntary population planning activities.*

VOLUNTARY POPULATION PLANNING ACTIVITIES – SUPPLEMENTAL REQUIREMENTS (JANUARY 2009)

- a. Voluntary Participation and Family Planning Methods:
 - (1) The recipient agrees to take any steps necessary to ensure that funds made available under this award will not be used to coerce any individual to practice methods of family planning inconsistent with such individual's moral, philosophical, or religious beliefs. Further, the recipient agrees to conduct its activities in a manner which safeguards the rights, health, and welfare of all individuals who take part in the program.
 - (2) Activities which provide family planning services or information to individuals, financed in whole or in part under this agreement, must provide a broad range of family planning methods and services available in the country in which the activity is conducted or must provide information to such individuals regarding where such methods and services may be obtained.

b. Requirements for Voluntary Family Planning Projects

- (1) A family planning project must comply with the requirements of this paragraph.
- (2) A project is a discrete activity through which a governmental, nongovernmental, or public international organization provides family planning services to people and for which funds obligated under this award, or goods or services financed with such funds, are provided under this award, except funds solely for the participation of personnel in short-term, widely attended training conferences or programs.
- (3) Service providers and referral agents in the project must not implement or be subject to quotas or other numerical targets of total number of births, number of family planning acceptors, or acceptors of a particular method of family planning. Quantitative estimates or indicators of the number of births, acceptors, and acceptors of a particular method that are used for the purpose of budgeting, planning, or reporting with respect to the project are not quotas or targets under this paragraph, unless service providers or referral agents in the project are required to achieve the estimates or indicators.
- (4) The project must not include the payment of incentives, bribes, gratuities or financial rewards to (i) any individual in exchange for becoming a family planning acceptor or (ii) any personnel performing functions under the project for achieving a numerical quota or target of total number of births, number of family planning acceptors, or acceptors of a particular method of contraception. This restriction applies to salaries or payments paid or made to personnel performing functions under the project if the amount of the salary or payment increases or decreases based on a predetermined number of births, number of family planning acceptors, or number of acceptors of a particular method of contraception that the personnel affect or achieve.
- (5) A person must not be denied any right or benefit, including the right of access to participate in any program of general welfare or health care, based on the person's decision not to accept family planning services offered by the project.
- (6) The project must provide family planning acceptors comprehensible information about the health benefits and risks of the method chosen, including those conditions that might render the use of the method inadvisable and those adverse side effects known to be consequent to the use of the method. This requirement may be satisfied by providing information in accordance with the medical practices and standards and health conditions in the country where the project is conducted through

counseling, brochures, posters, or package inserts.

- (7) The project must ensure that experimental contraceptive drugs and devices and medical procedures are provided only in the context of a scientific study in which participants are advised of potential risks and benefits.
- (8) With respect to projects for which USAID provides, or finances the contribution of, contraceptive commodities or technical services and for which there is no subaward or contract under this award, the organization implementing a project for which such assistance is provided must agree that the project will comply with the requirements of this paragraph while using such commodities or receiving such services.
- (9)
 - i) The recipient must notify USAID when it learns about an alleged violation in a project of the requirements of subparagraphs (3), (4), (5), or (7) of this paragraph.
 - ii) The recipient must investigate and take appropriate corrective action, if necessary, when it learns about an alleged violation in a project of subparagraph (6) of this paragraph and must notify USAID about violations in a project affecting a number of people over a period of time that indicate there is a systemic problem in the project.
 - iii) The recipient must provide USAID such additional information about violations as USAID may request.

c. Additional Requirements for Voluntary Sterilization Programs

- (1) Funds made available under this award must not be used to pay for the performance of involuntary sterilization as a method of family planning or to coerce or provide any financial incentive to any individual to practice sterilization.
- (2) The recipient must ensure that any surgical sterilization procedures supported, in whole or in part, by funds from this award are performed only after the individual has voluntarily appeared at the treatment facility and has given informed consent to the sterilization procedure. Informed consent means the voluntary, knowing assent from the individual after being advised of the surgical procedures to be followed, the attendant discomforts and risks, the benefits to be expected, the availability of alternative methods of family planning, the purpose of the operation and its irreversibility, and the option to withdraw consent any time prior to the operation. An individual's consent is considered voluntary if it is based

upon the exercise of free choice and is not obtained by any special inducement or any element of force, fraud, deceit, duress, or other forms of coercion or misrepresentation.

- (3) Further, the recipient must document the patient's informed consent by (i) a written consent document in a language the patient understands and speaks, which explains the basic elements of informed consent, as set out above, and which is signed by the individual and by the attending physician or by the authorized assistant of the attending physician; or, (ii) when a patient is unable to read adequately a written certification by the attending physician or by the authorized assistant of the attending physician that the basic elements of informed consent above were orally presented to the patient, and that the patient thereafter consented to the performance of the operation, the receipt of this oral explanation must be acknowledged by the patient's mark on the certification and by the signature or mark of a witness who speaks the same language as the patient.
- (4) The recipient must retain copies of informed consent forms and certification documents for each voluntary sterilization procedure for a period of three years after performance of the sterilization procedure.

d. Prohibition on Abortion-Related Activities:

- (1) No funds made available under this award will be used to finance, support, or be attributed to the following activities: (i) procurement or distribution of equipment intended to be used for the purpose of inducing abortions as a method of family planning; (ii) special fees or incentives to any person to coerce or motivate them to have abortions; (iii) payments to persons to perform abortions or to solicit persons to undergo abortions; (iv) information, education, training, or communication programs that seek to promote abortion as a method of family planning; and, (v) lobbying for or against abortion. The term "motivate," as it relates to family planning assistance, must not be construed to prohibit the provision, consistent with local law, of information or counseling about all pregnancy options.
- (2) No funds made available under this award will be used to pay for any biomedical research which relates, in whole or in part, to methods of, or the performance of, abortions or involuntary sterilizations as a means of family planning. Epidemiologic or descriptive research to assess the incidence, extent, or consequences of abortions is not precluded.

- e. The recipient must insert this provision in all subsequent subawards and contracts involving family planning or population activities that will be supported, in whole or in part, from funds under this award.

[END OF PROVISION]

RAA7. PROTECTION OF THE INDIVIDUAL AS A RESEARCH SUBJECT (APRIL 1998)

APPLICABILITY: *This provision is applicable when human subjects are involved in research financed by the award.*

PROTECTION OF THE INDIVIDUAL AS A RESEARCH SUBJECT (APRIL 1998)

- a. Safeguarding the rights and welfare of human subjects involved in research supported by USAID is the responsibility of the organization to which support is awarded. USAID has adopted the Common Federal Policy for the Protection of Human Subjects, Part 225 of Title 22 of the Code of Federal Regulations (the "Policy"). Additional interpretation, procedures, and implementation guidance of the Policy are found in USAID General Notice entitled "Procedures for the Protection of Human Subjects in Research Supported by USAID," issued April 19, 1995, as amended. USAID's Cognizant Human Subjects Officer (CHSO) in USAID/W has oversight, guidance, and interpretation responsibility for the Policy.
- b. Recipient organizations must comply with USAID policy when humans are the subject of research, as defined in 22 CFR 225.102(d), funded by the grant and recipients must provide "assurance," as required by 22 CFR 225.103, that they follow and abide by the procedures in the Policy. See also Section 5 of the April 19, 1995, USAID General Notice which sets forth activities to which the Policy is applicable. The existence of a bona fide, applicable assurance approved by the Department of Health and Human Services (HHS) such as the "multiple project assurance" (MPA) will satisfy this requirement. Alternatively, organizations can provide an acceptable written assurance to USAID as described in 22 CFR 225.103. Such assurances must be determined by the CHSO to be acceptable prior to any applicable research being initiated or conducted under the award. In some limited instances outside the U.S., alternative systems for the protection of human subjects may be used provided they are deemed "at least equivalent" to those outlined in Part 225 (See 22 CFR 225.101[h]). Criteria and procedures for making this determination are described in the General Notice cited in the preceding paragraph.
- c. Since the welfare of the research subject is a matter of concern to USAID as well as to the organization, USAID staff consultants and advisory groups may independently review and inspect research and research processes and procedures involving human subjects, and based on such findings, the CHSO may prohibit research which presents unacceptable hazards or otherwise fails to comply with USAID procedures. Informed consent documents must include the stipulation that the subject's records may be subject to such review.

[END OF PROVISION]

RAA8. CARE OF LABORATORY ANIMALS (MARCH 2004)

APPLICABILITY: *This provision is applicable when laboratory animals are involved in research performed in the U.S. and financed by the award.*

CARE OF LABORATORY ANIMALS (MARCH 2004)

- a. Before undertaking performance of any grant involving the use of laboratory animals, the recipient must register with the Secretary of Agriculture of the United States in accordance with Section 6, Public Law 89-544, Laboratory Animal Welfare Act, August 24, 1966, as amended by Public Law 91-579, Animal Welfare Act of 1970, December 24, 1970. The recipient must furnish evidence of such registration to the Agreement Officer.

- c. In the care of any live animals used or intended for use in the performance of this grant, the recipient must adhere to the principles enunciated in the Guide for Care and Use of Laboratory Animals prepared by the Institute of Laboratory Animals Resources, National Academy of Sciences - National Research Council (NAS-NRC), and in the United States Department of Agriculture's (USDA) regulations and standards issued under the Public Laws enumerated in a. above. In case of conflict between standards, the higher standard must be used. The recipient's reports on portions of the award in which animals were used must contain a certificate stating that the animals were cared for in accordance with the principles enunciated in the Guide for Care and Use of Laboratory Animals prepared by the Institute of Laboratory Animal Resources, NAS-NRC, and/or in the regulations and standards as promulgated by the Agricultural Research Service, USDA, pursuant to the Laboratory Animal Welfare Act of 24 August 1966, as amended (P.L. 89-544 and P.L. 91-579). NOTE: The recipient may request registration of the recipient's facility and a current listing of licensed dealers from the Regional Office of the Animal and Plant Health Inspection Service (APHIS), USDA, for the region in which the recipient's research facility is located. The location of the appropriate APHIS Regional Office as well as information concerning this program may be obtained by contacting the Senior Staff Office, Animal Care Staff, USDA/APHIS, 4700 River Road, Unit 84, Riverdale, MD 20737-1234 and at www.aphis.usda.gov/animal_welfare/index.shtml.

d. Risk of Loss:

- (1) The recipient is not liable for any loss of or damage to the cooperating country property, or for expenses incidental to such loss or damage except that the recipient is responsible for any such loss or damage (including expenses incidental thereto):
 - (i) Which results from willful misconduct or lack of good faith on the part of any of the recipient's directors or officers, or on the part of any of its managers, superintendents, or other equivalent representatives, who have supervision or direction of all or substantially all of the recipient's business, or all or substantially all of the recipient's operation at any one plant, laboratory, or separate location in which this award is being performed;
 - (ii) Which results from a failure on the part of the recipient, due to the willful misconduct or lack of good faith on the part of any of its directors, officers, or other representatives mentioned in (i) above:
 - (A) To maintain and administer, in accordance with sound business practice, the program for maintenance, repair, protection, and preservation of cooperating country property as required by (i) above; or

 - (v) Which results from a risk which is in fact covered by insurance or for which the grantee is otherwise reimbursed, but only to the extent of such insurance or reimbursement;
 - (vi) Provided, that, if more than one of the above exceptions is applicable in any case, the recipient's liability under any one exception is not limited by any other exception.
- (2) The recipient must not be reimbursed for, and must not include as an item

of overhead, the cost of insurance, or any provision for a reserve, covering the risk of loss of or damage to the cooperating country property, except to the extent that USAID may have required the recipient to carry such insurance under any other provision of this award.

- (3) Upon the happening of loss or destruction of or damage to the cooperating country property, the recipient must notify the Agreement Officer thereof, must take all reasonable steps to protect the cooperating country property from further damage, separate the damaged and undamaged cooperating country property, put all the cooperating country property in the best possible order, and furnish to the Agreement Officer a statement of:

 - (ii) The time and origin of the loss, destruction, or damage;
 - (iii) All known interests in commingled property of which the cooperating country property is a part; and
 - (iv) The insurance, if any, covering any part of or interest in such commingled property.
 - (4) The recipient must make repairs and renovations of the damaged cooperating country property or take such other action as the Agreement Officer directs.
 - (5) In the event the recipient is indemnified, reimbursed, or otherwise compensated for any loss or destruction of or damage to the cooperating country property, it must use the proceeds to repair, renovate or replace the cooperating country property involved, or must credit such proceeds against the cost of the work covered by the award, or must otherwise reimburse USAID, as directed by the Agreement Officer. The recipient must do nothing to prejudice USAID's right to recover against third parties for any such loss, destruction, or damage, and upon the request of the Agreement Officer, must, at the Government's expense, furnish to USAID all reasonable assistance and cooperation (including assistance in the prosecution of suits and the execution of instruments or assignments in favor of the Government) in obtaining recovery.
- e. Access: USAID, and any persons designated by it, must at all reasonable times have access to the premises wherein any cooperating country property is located, for the purpose of inspecting the cooperating country property.

APPLICABILITY: *This provision must be included in any new solicitations and any new assistance award or amendment to an existing award obligating or intending to obligate (in the case of solicitations) FY04 or later funds made available for HIV/AIDS activities, regardless of the program account. Further guidance is found in AAPD 14-04, Section 2.E.*

PROHIBITION ON THE PROMOTION OR ADVOCACY OF THE LEGALIZATION OR PRACTICE OF PROSTITUTION OR SEX TRAFFICKING (ASSISTANCE) (SEPTEMBER 2014)

- (a) The U.S. Government is opposed to prostitution and related activities, which are inherently harmful and dehumanizing, and contribute to the phenomenon of trafficking in persons. None of the funds made available under this agreement may be used to promote or advocate the legalization or practice of prostitution or sex trafficking. Nothing in the preceding sentence shall be construed to preclude the provision to individuals of palliative care, treatment, or post-exposure

pharmaceutical prophylaxis, and necessary pharmaceuticals and commodities, including test kits, condoms, and, when proven effective, microbicides.

- (b)(1) Except as provided in (b)(2), by accepting this award or any subaward, a non-governmental organization or public international organization awardee/subawardee agrees that it is opposed to the practices of prostitution and sex trafficking.
- (b)(2) The following organizations are exempt from (b)(1):
- (i) the Global Fund to Fight AIDS, Tuberculosis and Malaria; the World Health Organization; the International AIDS Vaccine Initiative; and any United Nations agency.
 - (ii) U.S. non-governmental organization recipients/subrecipients and contractors/subcontractors.
 - (iii) Non-U.S. contractors and subcontractors if the contract or subcontract is for commercial items and services as defined in FAR 2.101, such as pharmaceuticals, medical supplies, logistics support, data management, and freight forwarding.
- (b)(3) Notwithstanding section (b)(2)(iii), not exempt from (b)(1) are non-U.S. recipients, subrecipients, contractors, and subcontractors that implement HIV/AIDS programs under this assistance award, any subaward, or procurement contract or subcontract by:
- (i) Providing supplies or services directly to the final populations receiving such supplies or services in host countries;
 - (ii) Providing technical assistance and training directly to host country individuals or entities on the provision of supplies or services to the final populations receiving such supplies and services; or
 - (iii) Providing the types of services listed in FAR 37.203(b)(1)-(6) that involve giving advice about substantive policies of a recipient, giving advice regarding the activities referenced in (i) and (ii), or making decisions or functioning in a recipient's chain of command (e.g., providing managerial or supervisory services approving financial transactions, personnel actions).

- (c) The following definitions apply for purposes of this provision:

“Commercial sex act” means any sex act on account of which anything of value is given to or received by any person.

“Prostitution” means procuring or providing any commercial sex act and the

“practice of prostitution” has the same meaning.

“Sex trafficking” means the recruitment, harboring, transportation, provision, or obtaining of a person for the purpose of a commercial sex act (22 U.S.C. 7102(9)).

- (d) The recipient must insert this provision, which is a standard provision, in all subawards, procurement contracts or subcontracts for HIV/AIDS activities.

[End of Provision]

RAA18. USAID DISABILITY POLICY - ASSISTANCE (DECEMBER 2004)

APPLICABILITY: *This provision must be included in solicitations and in awards.*

USAID DISABILITY POLICY - ASSISTANCE (DECEMBER 2004)

a. The objectives of the USAID Disability Policy are (1) to enhance the attainment of United States foreign assistance program goals by promoting the participation and equalization of opportunities of individuals with disabilities in USAID policy, country and sector strategies, activity designs and implementation; (2) to increase awareness of issues of people with disabilities both within USAID programs and in host countries; (3) to engage other U.S. Government agencies, host country counterparts, governments, implementing organizations and other donors in fostering a climate of nondiscrimination against people with disabilities; and (4) to support international advocacy for people with disabilities.

b. USAID therefore requires that the recipient not discriminate against people with disabilities in the implementation of USAID funded programs and that it make every effort to comply with the objectives of the USAID Disability Policy in performing the program under this grant or cooperative agreement. To that end and to the extent it can accomplish this goal within the scope of the program objectives, the recipient should demonstrate a comprehensive and consistent approach for including men, women, and children with disabilities.

[END OF PROVISION]

RAA19. STANDARDS FOR ACCESSIBILITY FOR THE DISABLED IN USAID ASSISTANCE AWARDS INVOLVING CONSTRUCTION

(SEPTEMBER 2004)

APPLICABILITY: *This provision must be included in solicitations and in awards involving construction.*

STANDARDS FOR ACCESSIBILITY FOR THE DISABLED IN USAID ASSISTANCE AWARDS INVOLVING CONSTRUCTION (SEPTEMBER 2004)

- a. One of the objectives of the USAID Disability Policy is to engage other U.S. Government agencies, host country counterparts, governments, implementing organizations, and other donors in fostering a climate of nondiscrimination against people with disabilities. As part of this policy USAID has established standards for any new or renovation construction project funded by USAID to allow access by people with disabilities (PWDs). The full text of the policy paper can be found at the following Web site: pdf.usaid.gov/pdf_docs/PDABQ631.pdf.
- b. USAID requires the recipient to comply with standards of accessibility for people with disabilities in all structures, buildings or facilities resulting from new or renovation construction or alterations of an existing structure.
- c. The recipient will comply with the host country or regional standards for accessibility in construction when such standards result in at least substantially equivalent accessibility and usability as the standard provided in the Americans with Disabilities Act (ADA) of 1990 and the Architectural Barriers Act (ABA) Accessibility Guidelines of July 2004. Where there are no host country or regional standards for universal access or where the host country or regional standards fail to meet the ADA/ABA threshold, the standard prescribed in the ADA and the ABA will be used.
- d. New Construction. All new construction will comply with the above standards for accessibility.
- e. Alterations. Changes to an existing structure that affect the usability of the structure will comply with the above standards for accessibility unless the recipient obtains the Agreement Officer's advance approval that compliance is technically infeasible or constitutes an undue burden or both. Compliance is technically infeasible where structural conditions would require removing or altering a load-bearing member that is an essential part of the structural frame or because other existing physical or site constraints prohibit modification or addition of elements, spaces, or features that are in full and strict compliance with the minimum requirements of the standard. Compliance is an undue burden where it entails either a significant difficulty or expense or both.
- f. Exceptions. The following construction related activities are excepted from the requirements of paragraphs a. through d. above:

(1) Normal maintenance, reroofing, painting or wall papering, or changes to

mechanical or electrical systems are not alterations and the above standards do not apply unless they affect the accessibility of the building or facility; and

- (2) Emergency construction (which may entail the provision of plastic sheeting or tents, minor repair and upgrading of existing structures, rebuilding of part of existing structures, or provision of temporary structures) intended to be temporary in nature. A portion of emergency construction assistance may be provided to people with disabilities as part of the process of identifying disaster- and crisis-affected people as “most vulnerable.”

[END OF PROVISION]

RAA20. STATEMENT FOR IMPLEMENTERS OF ANTI-TRAFFICKING ACTIVITIES ON LACK OF SUPPORT FOR PROSTITUTION (JUNE 2012)

Applicability: *This provision must be included in any grant or cooperative agreement that*

- (1) *uses funds made available to carry out the Trafficking Victims Protection Act of 2000, Division A of P.L. 106-386; and*
- (2) *covers a program that targets victims of severe forms of trafficking in persons (as defined below) and provides services to individuals while they are still engaged in activities that resulted from such victims being trafficked.*

“Severe forms of trafficking in persons” means

- (1) *sex trafficking in which a commercial sex act is induced by force, fraud, or coercion, or in which the person induced to perform such act has not attained 18 years of age; or*
- (2) *the recruitment, harboring, transportation, provision, or obtaining of a person for labor or services, through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.*

STATEMENT FOR IMPLEMENTERS OF ANTI-TRAFFICKING ACTIVITIES ON LACK OF SUPPORT FOR PROSTITUTION (JUNE 2012)

By accepting this award, the recipient hereby states that it does not promote, support, or advocate the legalization or practice of prostitution. This statement may be true by virtue of the organization’s lack of any policy regarding the issue.

[END OF PROVISION]

RAA21. ELIGIBILITY OF SUBRECIPIENTS OF ANTI-TRAFFICKING FUNDS (JUNE 2012)

APPLICABILITY: *This provision must be included in any award that uses funds made available to carry out the Trafficking Victims Protection Act of 2000, Division A of P.L. 106-386, for a program that targets victims of severe forms of trafficking in persons. “Severe forms of trafficking in persons” means*

- (1) *sex trafficking in which a commercial sex act is induced by force, fraud, or coercion, or in which the person induced to perform such act has not attained 18 years of age; or*
- (2) *the recruitment, harboring, transportation, provision, or obtaining of a person for labor or services, through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.*

ELIGIBILITY OF SUBRECIPIENTS OF ANTI-TRAFFICKING FUNDS (JUNE 2012)

The recipient must not provide funds made available to carry out this award to any organization that has not stated in either a grant application, a grant agreement, or both, that it does not promote, support, or advocate the legalization or practice of prostitution. Such a statement is not required, however, if the sub-recipient organization provides services to individuals solely after they are no longer engaged in activities that resulted from such victims being trafficked. If required, the sub-recipient organization’s statement may be true by virtue of the organization’s lack of any policy regarding the issue.

[END OF PROVISION]

RAA22. PROHIBITION ON THE USE OF ANTI-TRAFFICKING FUNDS TO PROMOTE, SUPPORT, OR ADVOCATE FOR THE LEGALIZATION OR PRACTICE OF PROSTITUTION (JUNE 2012)

APPLICABILITY: *This provision must be included in any award that uses funds made available specifically under the Trafficking Victims Protection Act of 2000, Division A of P.L. 106-386.*

PROHIBITION ON THE USE OF ANTI-TRAFFICKING FUNDS TO PROMOTE, SUPPORT, OR ADVOCATE FOR THE LEGALIZATION OR PRACTICE OF PROSTITUTION (JUNE 2012)

None of the funds made available under this award may be used to promote, support, or advocate the legalization or practice of prostitution. However, this prohibition does not preclude assistance designed to ameliorate the suffering of, or health risks to, victims while they are being trafficked or after they are out of the situation that resulted in such victims being trafficked. The recipient must insert this provision in all subawards under this award.

[END OF PROVISION]

RAA26. ACCESS TO USAID FACILITIES AND USAID’S INFORMATION SYSTEMS (AUGUST 2013)

APPLICABILITY: *This provision must be included in solicitations and awards that require the recipient (or recipient employees) to have routine physical access to USAID-controlled facilities in the U.S. (i.e., will need an ID for regular entry to USAID space), or have logical access to USAID’s information systems (i.e., access to AIDNet, Phoenix, GLAAS, etc). Only U.S citizen employees or consultants of a U.S.-based organization may request routine physical access to USAID-controlled facilities or logical access to USAID’s information systems.*

ACCESS TO USAID FACILITIES AND USAID’S INFORMATION SYSTEMS (AUGUST 2013)

A U.S. citizen or resident alien engaged in the performance of this award as an employee, consultant, or volunteer of a U.S organization may obtain access to USAID facilities or logical access to USAID’s information systems only when and to the extent necessary to carry out this award and in accordance with this provision. RAA28. AWARD TERM AND CONDITION FOR RECIPIENT INTEGRITY AND PERFORMANCE MATTERS (April 2016)

APPLICABILITY: *This provision must be incorporated into awards if the total federal share of the award may include more than \$500,000 over the period of performance.*

AWARD TERM AND CONDITION FOR RECIPIENT INTEGRITY AND PERFORMANCE MATTERS (APRIL 2016)

A. Reporting of Matters Related to Recipient Integrity and Performance

1. General Reporting Requirement

If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds \$10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (currently the Federal Awardee Performance and Integrity Information System (FAPIIS)) about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under section 872 of [Public Law 110-417](#), as amended ([41 U.S.C. 2313](#)). As required by section 3010 of [Public Law 111-212](#), all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

2. Proceedings About Which You Must Report

Submit the information required about each proceeding that:

 - (ii) It had a different disposition arrived at by consent or compromise with an acknowledgment of fault on your part; and
 - (iii) The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. Reporting Procedures

Enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2 of this award term and condition. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM because you were required to do so under Federal procurement contracts that you were awarded.

4. Reporting Frequency

During any period of time when you are subject to the requirement in paragraph 1 of this award term and condition, you must report proceedings information through SAM for the most recent five year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report. RAA29. PROTECTING LIFE IN GLOBAL HEALTH ASSISTANCE (NOVEMBER 2020)

APPLICABILITY: This provision is applicable to those awards using federal funding predictably for international health activities with a primary purpose or effect of benefitting a foreign country, typically funded from the GHP, ESF, AEECA, or successor accounts, as applicable, including awards reported on under the Health category of the Foreign Assistance Standardized Program Structure, except those under program area HL.8, Water Supply and Sanitation, the American Schools and Hospitals Abroad Program, or programs funded by Food for Peace. This provision applies whenever implementation of the activity involves assistance to or implemented by foreign non-governmental organizations.

PROTECTING LIFE IN GLOBAL HEALTH ASSISTANCE (NOVEMBER 2020)

(a) Ineligibility of Foreign Non-governmental Organizations that Perform or Actively Promote Abortion as a Method of Family Planning

This provision is in two parts: I, applicable to foreign non-governmental organizations; and II, applicable to U.S. non-governmental organizations. Both part I and part II should be included in awards.

- I. Grants and Cooperative Agreements with Foreign Non-governmental Organizations
 - (1) The recipient agrees that it will not, during the term of this award, perform or actively promote abortion as a method of family planning in foreign countries or provide financial support to any other foreign non-governmental organization that conducts such activities. For purposes of this paragraph (a), a foreign non-governmental organization is a for-profit or not-for-profit non-governmental organization that is not organized under the laws of the United States, any State of the United States, the District of Columbia, or the Commonwealth of Puerto Rico, or any other territory or possession of the United States.
 - (2) The recipient agrees that authorized representatives of USAID may, at any reasonable time, announced or unannounced, consistent with 2 CFR Part 200: (i) inspect the documents and materials maintained or prepared by the recipient in the usual course of its operations that describe the health activities of the recipient, including reports, brochures and service statistics; (ii) observe the health activities conducted by the recipient, (iii) consult with healthcare personnel of the recipient; and (iv) obtain a copy of audited financial statements or reports of the recipient, as applicable.
 - (3) In the event USAID has reasonable cause to believe that the recipient may have violated its undertaking not to perform or actively promote abortion as a method of family planning, the recipient must make available to USAID such books and records and other information as USAID may reasonably request to determine whether a violation of that undertaking has occurred, consistent with 2 CFR Part 200.
 - (4) Health assistance furnished to the recipient under this award must be terminated if the recipient violates any undertaking required by this paragraph (a), unless USAID determines, consistent with 2 CFR 200.339, that other corrective action is warranted. In the event of termination, the recipient must refund to USAID any unexpended amounts furnished to the recipient under this award, plus an amount equivalent to that used by the recipient to perform or actively promote abortion as a method of family planning while receiving funding under this award. The amount to be refunded to USAID under this subparagraph (4) may not exceed the total

amount of health assistance furnished under this award.

- (5) The recipient may not furnish health assistance under this award to another foreign non-governmental organization (the sub-recipient) unless: (i) sub-recipient agrees, by entering into such subaward, that it will not, during the term of its subaward, perform or actively promote abortion as a method of family planning in foreign countries and will not provide financial support to any other foreign non-governmental organization that conducts such activities; and (ii) such foreign non-governmental organization's agreement contains the same terms and conditions as described in subparagraph (6), below.
- (6) Prior to entering into an agreement to furnish health assistance to a foreign non-governmental organization under this award, the recipient, consistent with 2 CFR Part 200, must ensure that such agreement with sub-recipient includes the following terms:
- (i) The sub-recipient will not, while receiving assistance under this award, perform or actively promote abortion as a method of family planning in foreign countries or provide financial support to other foreign non-governmental organizations that conduct such activities;
 - (ii) The recipient and authorized representatives of USAID may, at any reasonable time, announced or unannounced, consistent with 2 CFR Part 200: (A) inspect the documents and materials maintained or prepared by the sub-recipient in the usual course of its operations that describe the health activities of the sub-recipient, including reports, brochures and service statistics; (B) observe health activities conducted by the sub-recipient; (C) consult with healthcare personnel of the sub-recipient; and (D) obtain a copy of audited financial statements or reports of the sub-recipient, as applicable;
 - (iii) In the event that the recipient or USAID has reasonable cause to believe that a sub-recipient may have violated its undertaking not to perform or actively promote abortion as a method of family planning, the recipient will review the health program of the sub-recipient to determine whether a violation of such undertaking has occurred. The sub-recipient must make available to recipient such books and records and other information as may be reasonably requested to conduct the review. USAID may review the health program of the sub-recipient under these circumstances, and sub-recipient must provide access on a timely basis to USAID to such books and records and other information upon request, consistent with 2 CFR Part 200;
 - (iv) Health assistance provided to the sub-recipient under this award must be terminated if the sub-recipient violates any award terms under

subparagraphs (6)(i)-(iii), above, unless USAID determines, consistent with 2 CFR 200.339, that other corrective action is warranted. In the event of termination, the sub-recipient must refund to the recipient any unexpended amounts furnished to the sub-recipient under this award, plus an amount equivalent to that used by the sub-recipient to perform or actively promote abortion as a method of family planning while receiving funding under this award, up to the total amount of health assistance furnished to the sub-recipient under this award. Where USAID is not otherwise engaged in the determination to terminate a sub-recipient's award, the recipient must notify USAID of any action taken for a violation of any undertaking required under subparagraphs (6)(i)-(iii); and

- (v) The sub-recipient may furnish health assistance under this award to another foreign non-governmental organization only if: (A) such foreign non-governmental organization agrees, by entering into such agreement, that it will not, during the term of its subaward, perform or actively promote abortion as a method of family planning in foreign countries and will not provide financial support to any other foreign non-governmental organization that conducts such activities and (B) such foreign non-governmental organization's agreement contains the same terms and conditions as those provided by the sub-recipient to the recipient as described in subparagraphs (6)(i)-(iv), above.
- (7) Where the terms and conditions of the award require USAID approval of subawards, the recipient must, consistent with 2 CFR Part 200, include a description of the due diligence performed by the recipient on the sub-recipient before furnishing health assistance under this award.
- (8) The recipient is liable to USAID for a refund for a violation by the sub-recipient of any requirement of this paragraph (a) only if: (i) the recipient knowingly furnishes health assistance under this award to a sub-recipient that performs or actively promotes abortion as a method of family planning, or (ii) the sub-recipient did not abide by its award terms required by subparagraphs (6)(i)-(iii), above, and the recipient failed to make reasonable due diligence efforts prior to furnishing health assistance to the sub-recipient, or (iii) the recipient knows or has reason to know, by virtue of the monitoring that the recipient is required to perform under the terms of this award, that a sub-recipient has violated any of the award terms required by subparagraphs (6)(i)-(iii), above, and the recipient fails to terminate health assistance to the sub-recipient, or fails to require the sub-recipient to terminate assistance furnished under a subaward that violates any award terms required by subparagraphs (6)(i)-(iii), above, or fails to take other appropriate corrective action consistent with subparagraph 6(iv), above.

- (9) Recipient acknowledges that USAID may make independent inquiries in the community served by the recipient or a sub-recipient under this award regarding whether it performs or actively promotes abortion as a method of family planning.
- (10) The following definitions apply for purposes of paragraph (a):
- (i) Abortion is a method of family planning when it is for the purpose of spacing births. This includes, but is not limited to, abortions performed for the physical or mental health of the mother and abortions performed for fetal abnormalities, but does not include abortions performed if the life of the mother would be endangered if the fetus were carried to term or abortions performed following rape or incest.
 - (ii) “To perform abortions” means to operate a facility where abortions are provided as a method of family planning. Excluded from this definition is the treatment of injuries or illnesses caused by legal or illegal abortions, for example, post-abortion care.
 - (iii) “To actively promote abortion” means for an organization to commit resources, financial or other, in a substantial or continuing effort to increase the availability or use of abortion as a method of family planning.
 - (A) This includes, but is not limited to, the following activities:
 - (I) Operating a service-delivery site that provides, as part of its regular program, counseling, including advice and information, regarding the benefits and/or availability of abortion as a method of family planning;
 - (II) Providing advice that abortion as a method of family planning is an available option or encouraging women to consider abortion (passively responding to a question regarding where a safe, legal abortion may be obtained is not considered active promotion if a woman who is already pregnant specifically asks the question, she clearly states that she has already decided to have a legal abortion, and the healthcare provider reasonably believes that the ethics of the medical profession in the host country requires a response regarding where it may be obtained safely and legally);
 - (III) Lobbying a foreign government to legalize or make available abortion as a method of family planning or lobbying such a government to continue the legality of

abortion as a method of family planning; and

- (IV) Conducting a public information campaign in foreign countries regarding the benefits and/or availability of abortion as a method of family planning.
- (B) Excluded from the definition of active promotion of abortion as a method of family planning are referrals for abortion as a result of rape or incest, or if the life of the mother would be endangered if she were to carry the fetus to term. Also excluded from this definition is the treatment of injuries or illnesses caused by legal or illegal abortions, for example, post-abortion care.
- (C) Action by an individual acting in the individual's capacity shall not be attributed to an organization with which the individual is associated, provided that the individual is neither on duty nor acting on the organization's premises, and the organization neither endorses nor provides financial support for the action and takes reasonable steps to ensure that the individual does not improperly represent that he or she is acting on behalf of the organization.
- (iv) Furnishing health assistance to a foreign non-governmental organization includes the transfer of U.S. global health assistance funds made available under this award or goods financed with such funds. Furnishing health assistance to a foreign non-governmental organization does not include the provision of technical assistance or training (including other costs for individuals directly related to such technical assistance or participation in training), unless such organization receives a subaward of U.S. global health assistance funds under this award. Furnishing health assistance to a foreign non-governmental organization does not include the purchase of goods or services from an organization.
- (v) To "control" an organization means to possess the power to direct, or cause the direction of, the management and policies of an organization.
- (11) In determining whether a foreign non-governmental organization is eligible to be a recipient or sub-recipient of health assistance under this award, the action of separate non-governmental organizations shall not be imputed to the recipient or sub-recipient, unless, in the judgment of USAID, a separate non-governmental organization is being used purposefully to avoid the provisions of this paragraph (a). Separate non-governmental organizations are those that have distinct legal existence in

accordance with the laws of the countries in which they are organized. Foreign organizations that are separately organized shall not be considered separate, however, if one is controlled by the other. The recipient may request the USAID Agreement Officer's approval to treat as separate the health activities of two or more organizations, which would not be considered separate under the preceding sentence. The recipient must provide a written justification to USAID that the health activities of the organizations are sufficiently distinct to warrant not imputing the activity of one to the other.

- (12) Health assistance may be furnished under this award by a recipient or sub-recipient to a foreign government or parastatal even though the government or parastatal includes abortion in its health program, provided that no such assistance may be furnished under this award in support of the abortion activity of the government or parastatal and any funds transferred to the government or parastatal must be placed in a segregated account to ensure that such funds may not be used to support the abortion activity of the government or parastatal.
- (13) For the avoidance of doubt, in the event of a conflict between a term of this paragraph (a) and an affirmative duty of a healthcare provider required under local law to provide counseling about and referrals for abortion as a method of family planning, compliance with such law shall not trigger a violation of this paragraph (a).

II. Grants and Cooperative Agreements with U.S. Non-governmental Organizations

- (1) The recipient (A) agrees that it will not furnish health assistance under this award to any foreign non-governmental organization that performs or actively promotes abortion as a method of family planning in foreign countries; and (B) further agrees to require that such sub-recipients do not provide financial support to any other foreign non-governmental organization that conducts such activities. For purposes of this paragraph (a), a foreign non-governmental organization is a for-profit or not-for-profit non-governmental organization that is not organized under the laws of the United States, any State of the United States, the District of Columbia, or the Commonwealth of Puerto Rico, or any other territory or possession of the United States.
- (2) Prior to entering into an agreement to furnish health assistance to a foreign non-governmental organization (sub-recipient) under this award, recipient must ensure that such agreement with sub-recipient includes the following terms:
 - (i) The sub-recipient will not, while receiving assistance under this award,

perform or actively promote abortion as a method of family planning in foreign countries or provide financial support to other foreign non-governmental organizations that conduct such activities;

- (ii) The recipient, and authorized representatives of USAID may, at any reasonable time, announced or unannounced, consistent with 2 CFR Part 200: (A) inspect the documents and materials maintained or prepared by the sub-recipient in the usual course of its operations that describe the health activities of the sub-recipient, including reports, brochures and service statistics; (B) observe the health activities conducted by the sub-recipient; (C) consult with healthcare personnel of the sub-recipient; and (D) obtain a copy of audited financial statements or reports of the sub-recipient, as applicable;
- (iii) In the event that the recipient or USAID has reasonable cause to believe that a sub-recipient may have violated its undertaking not to perform or actively promote abortion as a method of family planning, the recipient will review the health program of the sub-recipient to determine whether a violation of such undertaking has occurred. The sub-recipient must make available to recipient such books and records and other information as may be reasonably requested to conduct the review. USAID may review the health program of the sub-recipient under these circumstances, and sub-recipient must provide access on a timely basis to USAID to such books and records and other information upon request, consistent with 2 CFR part 200;
- (iv) Health assistance provided to the sub-recipient under this award must be terminated if the sub-recipient violates any award terms required by subparagraphs (2)(i)-(iii), above, unless USAID determines, consistent with 2 CFR 200.339, that other corrective action is warranted. In the event of termination, the sub-recipient must refund to the recipient any unexpended amounts furnished to the sub-recipient under this award, plus an amount equivalent to that used by the sub-recipient to perform or actively promote abortion as a method of family planning while receiving funding under this award, up to the total amount of health assistance furnished to the sub-recipient under this award. Where USAID is not otherwise engaged in the determination to terminate a recipient's subaward, the recipient must notify USAID of any action taken for a violation of any undertaking required under subparagraphs (2)(i)-(iii); and
- (v) The sub-recipient may furnish health assistance under this award to another foreign non-governmental organization only if: (A) such foreign non-governmental organization agrees, by entering into such agreement, that it will not, during the term of its subaward, perform or actively promote abortion as a method of family planning in foreign

countries and will not provide financial support to any other foreign non-governmental organization that conducts such activities; and (B) such foreign non-governmental organization's agreement contains the same terms and conditions as those provided by the sub-recipient to the recipient as described in subparagraphs (2)(i)-(iv), above.

- (3) Where the terms and conditions of the award require USAID approval of subawards, the recipient must, consistent with 2 CFR Part 200, include a description of the due diligence performed by the recipient on the sub-recipient before furnishing health assistance under this award.
- (4) The recipient is liable to USAID for a refund for a violation by the sub-recipient of any requirement of this paragraph (a) only if: (i) the recipient knowingly furnishes health assistance under this award to a sub-recipient that performs or actively promotes abortion as a method of family planning; or (ii) the sub-recipient did not abide by its award terms required by subparagraphs (2)(i)-(iii), above, and the recipient failed to make reasonable due diligence efforts prior to furnishing health assistance to the sub-recipient; or (iii) the recipient knows or has reason to know, by virtue of the monitoring that the recipient is required to perform under the terms of this award, that a sub-recipient has violated any of the award terms required by subparagraphs (2)(i)-(iii), above, and the recipient fails to terminate health assistance to the sub-recipient, or fails to require the sub-recipient to terminate assistance furnished under a subaward that violates any award terms required by subparagraphs (2)(i)-(iii), above, or fails to take other appropriate corrective action consistent with subparagraph 2(iv), above.
- (5) Recipient acknowledges that USAID may make independent inquiries in the community served by a sub-recipient under this award regarding whether such sub-recipient performs or actively promotes abortion as a method of family planning.
- (6) The following definitions apply for purposes of this paragraph (a):
 - (i) Abortion is a method of family planning when it is for the purpose of spacing births. This includes, but is not limited to, abortions performed for the physical or mental health of the mother and abortions performed for fetal abnormalities, but does not include abortions performed if the life of the mother would be endangered if the fetus were carried to term or abortions performed following rape or incest.
 - (ii) "To perform abortions" means to operate a facility where abortions are provided as a method of family planning. Excluded from this definition is the treatment of injuries or illnesses caused by legal or illegal abortions, for example, post-abortion care.

(iii) "To actively promote abortion" means for an organization to commit resources, financial or other, in a substantial or continuing effort to increase the availability or use of abortion as a method of family planning.

(A) This includes, but is not limited to, the following activities:

(I) Operating a service-delivery site that provides, as part of its regular program, counseling, including advice and information, regarding the benefits and/or availability of abortion as a method of family planning;

(II) Providing advice that abortion as a method of family planning is an available option or encouraging women to consider abortion (passively responding to a question regarding where a safe, legal abortion may be obtained is not considered active promotion if a woman who is already pregnant specifically asks the question, she clearly states that she has already decided to have a legal abortion, and the healthcare provider reasonably believes that the ethics of the medical profession in the host country requires a response regarding where it may be obtained safely and legally);

(III) Lobbying a foreign government to legalize or make available abortion as a method of family planning or lobbying such a government to continue the legality of abortion as a method of family planning; and

(IV) Conducting a public-information campaign in foreign countries regarding the benefits and/or availability of abortion as a method of family planning.

(B) Excluded from the definition of active promotion of abortion as a method of family planning are referrals for abortion as a result of rape or incest, or if the life of the mother would be endangered if she were to carry the fetus to term. Also excluded from this definition is the treatment of injuries or illnesses caused by legal or illegal abortions, for example, post-abortion care.

(C) Action by an individual acting in the individual's capacity shall not be attributed to an organization with which the individual is associated, provided that the individual is neither on duty nor acting on the organization's premises, and the organization

neither endorses nor provides financial support for the action and takes reasonable steps to ensure that the individual does not improperly represent that he or she is acting on behalf of the organization.

- (iv) Furnishing health assistance to a foreign non-governmental organization includes the transfer of U.S. global health assistance funds made available under this award or goods financed with such funds. Furnishing health assistance to a foreign non-governmental organization does not include the provision of technical assistance or training (including other costs for individuals directly related to such technical assistance or participation in training), unless such organization receives a subaward of U.S. global health assistance funds under this award. Furnishing health assistance to a foreign non-governmental organization does not include the purchase of goods or services from an organization.
 - (v) To “control” an organization means to possess the power to direct, or cause the direction of, the management and policies of an organization.
- (7) In determining whether a foreign non-governmental organization is eligible to be a sub-recipient of health assistance under this award, the action of separate non-governmental organizations shall not be imputed to the sub-recipient, unless, in the judgment of USAID, a separate non-governmental organization is being used purposefully to avoid the provisions of this paragraph (a). Separate non-governmental organizations are those that have distinct legal existence in accordance with the laws of the countries in which they are organized. Foreign organizations that are separately organized shall not be considered separate, however, if one is controlled by the other. The recipient may request the USAID Agreement Officer’s approval to treat as separate the health activities of two or more organizations, which would not be considered separate under the preceding sentence. The recipient must provide a written justification to USAID that the health activities of the organizations are sufficiently distinct to warrant not imputing the activity of one to the other.
- (8) Health assistance may be furnished under this award by a recipient or sub-recipient to a foreign government or parastatal even though the government or parastatal includes abortion in its health program, provided that no such assistance may be furnished under this award in support of the abortion activity of the government or parastatal and any funds transferred to the government or parastatal must be placed in a segregated account to ensure that such funds may not be used to support the abortion activity of the government or parastatal.

(9) For the avoidance of doubt, in the event of a conflict between a term of this paragraph (a) and an affirmative duty of a healthcare provider required under local law to provide counseling about and referrals for abortion as a method of family planning, compliance with such law shall not trigger a violation of this paragraph (a).

(b) This provision shall be inserted *verbatim* in subawards in accordance with the terms of paragraph (a).

[END OF PROVISION]

RAA30. PROGRAM INCOME (AUGUST 2020)

APPLICABILITY: This provision is applicable when program income is expected to be earned under this award. The AO must specify in the schedule of the award the approach for use of program income (for example, deduction, addition, or cost-sharing) (see [2 CFR 200.307](#) and [ADS 303.3.10.4](#)).

PROGRAM INCOME (August 2020)

a. Program income is gross income earned by the recipient that is directly generated by a supported activity or earned as a result of the Federal award during the period of performance. Program income includes, but is not limited to: income from fees for services performed; the use or rental of real or personal property acquired under Federal awards; the sale of commodities or items fabricated under a Federal award; license fees and royalties on patents and copyrights; and principal and interest on loans made with Federal award funds. Interest earned on advances of Federal funds is not program income. Except as otherwise provided in Federal statutes, regulations, or the terms and conditions of the Federal award, program income does not include rebates, credits, discounts, or interest earned on any of them.

b. Program income must be used for the purposes, and under the conditions, of the award, to further project objectives, program objectives, or award activities. Program income must be used only for allowable program costs. Interest earned on program income is subject to the same conditions as program income.

c. The recipient must apply the approach for use of program income as specified in the schedule of the award. This may include one of the three approaches listed below (see also [2 CFR 200.307](#)). The recipient must also follow the standards in this provision to account for gross income earned from Federally-supported activities under this award.

- 1) If the deduction approach is used, the recipient must use the program income for current costs, prior to drawdown of USAID funds under the award.

- 2) If the addition approach is used, the total award amount is increased by the amount of program income. If the award anticipates a specific program income amount, any program income in excess of such amount must be deducted from expenditures.
- 3) If the cost sharing approach is used, the amount of the award remains the same. If the award anticipates a specific program income amount, any program income in excess of such amount must be deducted from expenditures.

d. Costs subject to generating program income under this award may be deducted from gross income to calculate program income, provided these costs have not been charged to this award and comply with the standard provision, "Allowable Costs."

e. The recipient must report program income using the [Federal Financial Report, SF-425](#). Program income must be accounted for in the same ratio as USAID's participation in the program. For example, if USAID funded 75 percent of a recipient's program, then the recipient must report 75 percent of any program income earned under the award as "Federal program income earned" on the SF-425.

f. The recipient should continue to use program income earned after the period of the award to further award objectives, but is not subject to Federal requirements governing the disposition of program income earned after the end of the period of performance for the award.

RAA31. NEVER CONTRACT WITH THE ENEMY (NOVEMBER 2020)

APPLICABILITY: *This provision is required in accordance with 2 CFR 183, Never Contract with the Enemy. AOs must include this provision in all assistance solicitations and all awards expected to exceed \$50,000 and that are performed outside of the United States, including U.S. territories, and that are in support of a contingency operation as defined in 2 CFR 183.35 in which members of the Armed Forces are or may become actively engaged in hostilities.*

NEVER CONTRACT WITH THE ENEMY (NOVEMBER 2020)

1. Prohibition on Providing Funds to the Enemy

(a) The recipient must—

- (1) Exercise due diligence to ensure that none of the funds, including supplies and services, received under this grant or cooperative agreement are provided directly or indirectly (including through subawards or contracts) to a person or entity who is actively opposing the United States or coalition

forces involved in a contingency operation in which members of the Armed Forces are actively engaged in hostilities, which must be completed through 2 CFR 180.300 prior to issuing a subaward or contract and;

(2) Terminate or void in whole or in part any subaward or contract with a person or entity listed in SAM as a prohibited or restricted source pursuant to subtitle E of Title VIII of the NDAA for FY 2015, unless the Federal awarding agency provides written approval to continue the subaward or contract.

(b) The recipient may include the substance of this clause, including paragraph (a) of this clause, in subawards under this grant or cooperative agreement that have an estimated value over \$50,000 and will be performed outside the United States, including its outlying areas.

(c) The Federal awarding agency has the authority to terminate or void this grant or cooperative agreement, in whole or in part, if the Federal awarding agency becomes aware that the recipient failed to exercise due diligence as required by paragraph (a) of this clause or if the Federal awarding agency becomes aware that any funds received under this grant or cooperative agreement have been provided directly or indirectly to a person or entity who is actively opposing coalition forces involved in a contingency operation in which members of the Armed Forces are actively engaged in hostilities.

2. Additional Access to Recipient Records

(a) In addition to any other existing examination-of-records authority, the Federal Government is authorized to examine any records of the recipient and its subawards or contracts to the extent necessary to ensure that funds, including supplies and services, available under this grant or cooperative agreement are not provided, directly or indirectly, to a person or entity that is actively opposing the United States or coalition forces involved in a contingency operation in which members of the Armed Forces are actively engaged in hostilities, except for awards awarded by the Department of Defense on or before Dec 19, 2017 that will be performed in the United States Central Command (USCENTCOM) theater of operations.

(b) The substance of this clause, including this paragraph (b), is required to be included in subawards or contracts under this grant or cooperative agreement that have an estimated value over \$50,000 and will be performed outside the United States, including its outlying areas.
